

KUA 'AINA DEBUT IN LONDON ASSISTED BY SELSIAN

August 2011

Kua 'Aina, Hawaiian Burger and Sandwich Grill has opened its doors in London's trendy Carnaby district in an off market deal. It is based on the original restaurant found on Hawaii's North Shore which opened in 1975 and will serve char grilled sandwiches and salads.

The group which boasts some 20 stores in Hawaii, Japan and now London, secured a new lease with the landlords Shaftsbury on the 1,200 sq ft unit (111 sq m) for a rent of £50,000 per annum.

Selsian advised Kua 'Aina on the transaction.
