SELSIAN HELPS PIZZA EXPRESS ACQUIRE HERNE HILL MELA RESTAURANT

June 2010

Gondola Holdings, the casual dining group that operates the ASK, Zizzi & Pizza Express brands, has acquired the former Mela Restaurant in Herne Hill in South London for an undisclosed sum which it will open it later in the year.

The Indian Restaurant Group, formerly known as the Mela Group, had owned the restaurant - but the subsidiary company responsible for the site, Param Consultancy, was placed into administration last year.

Gondola will trade the unit, which was a former bank and features a ground floor and basement, as a Pizza Express.

Selsian acted on behalf of Gondola and secured a new 25-year lease on the 3,178 sq ft site
